STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

Applicant wishes to thank the Examiner for the courtesies extended during a telephonic interview with Applicant's representative Michael Guzniczak on April 26, 2007.

The purpose of the interview was to clarify the content of the Advisory Action dated April 18, 2007. In particular, while the first page of the Advisory Action does not indicate that the Amendment After Final Rejection dated April 3, 2007 raises new issues that would require further consideration, the continuation sheet of the Advisory

Action indicates the Amendment raises new issues that would require further consideration.

During the interview, the Examiner indicated the Amendment raises new issues that would require further consideration.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office by telephone at (714) 540-8700. All correspondence should be directed to our address given below.

Respectfully submitted,

/Gregory S. Weaver/
